PROFESSIONAL EXPERIENCE

Social Media Manager

Uttarakhand State Council for Science & Technology (UCOST), Dehradun

August 2023 – Present

- Contributed to the success of key events by creating pre- and post-event digital content and audience engagement strategies.
- Developed and executed UCOST's content calendar across Instagram, Facebook and Twitter, increasing overall engagement rate by 35% in 4 months.
- Led branding and visual design efforts for science outreach campaigns, using Canva and Adobe Express to create educational graphics.
- Managed community interaction and audience engagement through timely responses, contests and polls.
- Monitored analytics and created monthly performance reports to optimize content and posting strategies.
- Worked on the Community Radio (88.8 FM) project, handling scripting, voiceovers, audio and editing, to promote science communication in local languages.

Social Media Manager

Esrots Labs (Health Tech Startup)

April 2023 – July 2023

- Designed and launched digital campaigns aligning with product launches and promotional goals.
- Grew follower base by 28% through targeted hashtag strategies and Reels-based content.
- Collaborated with design and product teams to maintain brand tone, voice and consistency.
- Utilized Hootsuite and Later for content scheduling and reporting.

Business Development Executive

Freelance/Contractual Role

January 2023 – March 2023

- Engaged with potential clients to drive awareness and generate leads via LinkedIn and email marketing.
- Coordinated client calls
